Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding to study the replacement of the Bayou Sorrel Lock Fiscal Year 2023. The entity to receive such funding is the U.S. Army Corps of Engineers, New Orleans District, located at 7400 Leake Ave., New Orleans, LA 70118. This funding will be used to initiate a new start study to analyze Lock Performance Monitoring System data to accurately reflect observed delay times for marine traffic. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Garret Graves
Member of Congress
